Myself & my neighbors do not want Alleyway 17th to be paved. We expressed that at several meetings with city.
For street signs I prefer Blue signs with only street name.

We want to hear from you!

Lighting is a major concern in some neighborhoods. Security in dark places puts many residents in jeopardy. Also, if you are a person with mobility issues, lighting issues can perpetuate a fall risk. I have friends in the set who confront almost complete darkness everyday evenings.
